

TUMBLE DRYERS

DESIGNED TO MEET ALL NEEDS

FEATURES

DTA | DTP-11-18 COMFORT

- Construction in grey skinplate, stainless steel look.
- Big loading door (opening of 180°).
- Direct drive through a gearbox, no pulley.
- **DTA range:** Analogic control with time and temperature selection. Light indication of heating. (These models do not allow the moisture control option).
- **DTP range:** Electronic control. Easy and intuitive to use, the electronic control offers a complete control of the process.
- REVERSE ACTION: All models offer the reverse turning of the drum.
- STAINLESS STEEL DRUM standard.
- DOUBLE FLOW: Mixed axial-radial airflow to optimise and maximise the airflow circuit in the drum.
- SOFT DRY: The new drum with stamped holes makes sure the linen is gently handled.
- FULL SCREEN FILTER: New filter drawer with wide surface and improved airflow.
- COOL DOWN: Anti-wrinkle at the end of cycle.
- Models available in electric, gas or steam heating.
- **Self-service:** COMFORT DTP range have several payment options for Laundromats: to work with centralized payment systems, with coin / token, or with prepay card systems. Electric and gas heated models.
